I hereby confirm I have accepted the terms of this contract:

*Canada BEST provides information on the education options in Canada for international students. I commit to pay the one time non-refundable \$120 education service fee of Canada BEST (valid for **one registration** to one school) and all other schools, homestay or services that I request. An initial deposit of \$500 or more, depending on the school and program, will be requested to start all paper work, which will be used to pay the service fees of Canada BEST and the non-refundable school fees where applicable.*

I commit myself to contact the school during the registration time through Canada BEST only.

I understand that the school is responsible for the courses services, that the homestay company is responsible for the lodging services and that Canada BEST is responsible for the orientation services prior to my registration only.

I express my agreement to accept the school and service providers refund policies where applicable. I understand I am responsible to take all decisions regarding my visa status in Canada.
